Church Planters

To the HEART of Uruguay

January 2007

Dear Prayer Supporters,

“Be careful for nothing; but in every thing by prayer and supplication with thanksgiving let your requests be made known unto God” (Philippians 4:6). We are grateful that we can always approach the majestic throne of our King, and that He desires to hear the praises and prayers of His children.

Perhaps you will recall from our previous prayer letter that we were planning to ship our belongings to Uruguay ahead of time. We had the opportunity to share a container with another family. This would have saved us a considerable amount of red tape and expense. However, this situation fell through at the last minute. The container ended up being smaller than anticipated, and the family ended up using more space than originally planned. Even though this was a disappointing turn of events, **we praise the Lord** that most of our belongings are now packed and manifested for customs. Our final preparations for moving to Uruguay should be much easier. We rest in the fact that God is sovereign, and He desires only what is best for us. Romans 8:28 says, “And we know that all things work together for good to them that love God, to them who are the called according to his purpose.”

During this past year, the Lord graciously allowed us to visit forty-two churches in eight states. We were grateful for a breather during December. Although we did not intentionally seek to be home, meetings did not materialize. This allowed Jo Anna to get all of her **wisdom teeth removed without complications** and for us to **reconnect with our home church**. We were blessed to help in multiple aspects of our church's ministry during our time at home.

Since we were close by, we were also able to accept an invitation to speak at a nearby church's Christmas banquet. As is usually the case, we found ourselves seeking to be a blessing, but being innumerable blessed in return. Of course, spending extra time with close and extended family has been wonderful as well. **Praise the Lord** for the many opportunities to share the Gospel during the Christmas season!

The next three months will once again find us busy serving in churches across the Midwest. The end of January and the first part of February will be particularly busy. **Please pray** that this will not merely be a busy time, but rather a time of rich harvest as we seek to be used by our Lord. **Please pray** that we will have sweet spirits despite being pressed by fatigue. **Please pray** that churches will consider us for support.

This past year we have enjoyed sharing our heart not only with our King, but also with you, our prayer supporters. As we embark on a new year, we are confident that our source of strength is more than adequate to meet every challenge. If you are not already doing so, will you commit to spend time at least once every two weeks praying that we will reach Uruguay by the end of 2007? Will you let us know if you do and on what day you'll be praying for us? A quick email to pharmon@baptistworldmission.org would be such an encouragement to us!
